Dear Dr. Usha Titus,

As you are aware, the 3rd International Day of Yoga (IDY) is being celebrated on 21st June, 2017. It has been decided to take forward the momentum created by the International Yoga Day 2015 & 2016 with greater vigour and active participation of all sections of the society. Ministry of AYUSH has informed that Lucknow would be the venue for the main event for celebration of 3rd International Day of Yoga this year.

2. I would like to request you that all out efforts may be made to make this a people’s programme, where they can voluntarily come forward and participate in the mass yoga demonstrations, by highlighting the benefits of Yoga for better physical/mental health and social harmony. It is accordingly requested that you may consider issuing necessary instructions to the concerned authorities under your administrative control to facilitate training and successful conduct of the IDY 2017 by encouraging participation of students/staff in large numbers. You may also disseminate the contents of this letter to the other field formations under your administrative control.

3. It is likely that a good number of schools under your charge would be having summer vacations during June 2017. You may accordingly consider issuing necessary instructions to the school authorities to facilitate successful conduct of IDY 2017 by encouraging participation of students in large numbers.

With regards,

Yours sincerely,

(Sanjay Kumar)
