2. G.O. (MS) No. 23/2017/ H.Edn. dated: 17.01.2017

**ORDER**

Government, as per order read 2<sup>nd</sup> paper above, have issued guidelines for preparation of Detailed Project Reports (DPRs), for the implementation of projects in Higher Education Department to be implemented with the financial assistance of Kerala Infrastructure Investment Fund Board (KIIFB). According to the said order, a technical team of four faculty members and two students of Technical Education Department has to be constituted for the preparation of Detailed Project Reports (DPR) for 48 Government Arts and Science Colleges, 7 Government Engineering Colleges and 9 Government Polytechnic Colleges.

In continuation to the above, Government are pleased to order the following:

1. As per the Annexure appended, seventeen (17) teams have been constituted for the preparation of DPRs by including four faculty members each from the Government Engineering Colleges of Technical Education Department. The name of each team member, contact number of the Principal of the Engineering College concerned and the College for which the team is authorized to prepare the DPR are specifically indicated in the annexure.
2. The team members will discuss and designate one of them as Team leader, and the Team leader is authorized to represent the team in all discussions with the authorities concerned. The Team leader is also authorized to meet the expenses related to hiring of vehicles, undertaking soil testing/survey, if necessary, and other expenses related to the preparation of the DPRs.

3. The Team shall chose suitable students who could contribute in preparing the DPRs as per the Government order referred above.
4. The team members shall make use of holidays and extra working hours to get the DPRs completed without adversely affecting regular classes. Principals of the Colleges contributing teams concerned are directed to make available all necessary facilities for the smooth functioning of the team during out of office hours and on holidays. The total quantum of days allowable for the preparation of the DPRs will be limited to the days mentioned in the Government order. The total expenditure for the preparation of the DPR is limited to the sum specified in the G.O. read as 2<sup>nd</sup> paper above.
5. The team leader is also authorized to co-opt the services of any other faculty member in case of contingencies limiting the expenditure to the sum ordered in the G.O.
6. To begin with, the team leader shall immediately contact the Principal of the College for which DPR is to be prepared for obtaining an earliest convenient date for undertaking the visit to that college for discharging the various functions mentioned in the G.O. read as 2<sup>nd</sup> above.
7. The estimate for Civil, Electrical and related infrastructure works should be prepared only from the balance amount left after assessing the fund requirement for IT, Laboratory and Library.
8. The Principal of the institution for which DPR is to be prepared shall prepare and furnish the details of IT, Library and Laboratory equipment requirements, along with rough cost estimate, separately, to the Technical Team for incorporating the same in the DPR.
9. Necessary funds earmarked to meet the cost for preparation of DPR will be allotted to Director of Technical Education, who in turn shall transfer the funds to the respective Principals of the teams.
10. Funds towards expenses can be drawn as advance also. Principals of the Technical Teams concerned, after withdrawing the advance, should disburse the same to the team leader for meeting the expenses for DPR preparation. Vehicle expense and Sub Soil Test/Survey.
11. Honorarium to both Faculty and Students shall be released only after satisfactory completion of the entrusted work of preparation of DPRs. However, individual TA advance is allowed.
12. The Principal of the institution of the Technical Team will receive fund from the Director of Technical Education as per requirements and will disburse the amount to the technical team. The respective Principals shall maintain the vouchers/bills for the final settlement of advance payments. The Principal will be the custodian of the documents for the amount received and disbursed.

13. Incentive to the colleges of the technical team shall be released only on submission of duly accepted DPRs.

No:20/K3/2016/H.Edn.

Higher Education (K) Department,  
Thiruvananthapuram,  
Dated: 23.01.2017

From  
The Principal Secretary to Government

To  
The Principal,

Sir,

Sub:- H.Edn. – Projects undertaken by Kerala Infrastructure Investment Fund Board  
– Instructions - reg.

Ref:- 1. G.O.(MS)No.23/2017/H.Edn. dated:17.01.2017  
2. G.O. (Rt)No. 121/2017 dated, 23.01.2017

Government as per 1<sup>st</sup> G.O. referred above have issued specific guidelines and instructions for the preparation of Detailed Project Reports (DPR) for the projects to be undertaken in your institutions under Higher Education Department. An expert Technical Team has also been constituted for preparation of the DPRs vide G.O. referred 2<sup>nd</sup> above. In this regard, I am directed to inform you that the requirements regarding the projects to be undertaken in your College have to be drawn out in consultation with all the stakeholders. The list of team members along with the contact number of the Principal of the Engineering College to which the technical team belongs is attached herewith for information. You are, therefore, requested to contact the team members instantly and fix a convenient date (s) for undertaking the various activities leading to preparation of DPRs within the framework of the Government Orders referred above.

I am also directed to inform you that separate lists of requirements for IT, Laboratory and Library equipment, as indicated in the guidelines issued by the government, shall be furnished to the Technical team. The rough cost estimates for these items should also be finalized and handed over to the Technical Team to enable them to incorporate the same in the DPR.

It is reiterated that maximum cooperation shall be extended to the Technical Team visiting your college and shall also ensure that all the stakeholders of the institution are involved in the discussions and decisions.

Yours faithfully.
