

Sir,

Sub: Higher Education Department—Private Aided Colleges—Implementation of Punching in Private Aided Colleges—Reg

I am to invite your attention to the reference cited and to inform that a discussion may be conducted with the Managers/Principals of Aided colleges to elicit their views in the matter of introducing Biometric punching system with spark connectivity in the Private Aided Colleges of the state as done in Government colleges, by meeting the expenditure from management's own funds. The report in the matter may be submitted to Government in due course.

Yours faithfully

MARY LALY.C.Y
Under Secretary
(For The Principal Secretary to Government)
