Sir,

Sub:- Higher Education Department – Procurement of LED lights for Schools, Colleges, Universities Govt. College Hostels from Keltron –reg.

.....

The Managing Director of Keltron has informed that it is the first and the Pioneer Electronics Development Corporation Ltd., in the State Sector in the country and has been developing, manufacturing and supplying various electronics products and systems for the last more than forty two years. With its strong strength in electronics, Keltron has

started manufacturing of LED lighting products, including Street Lights from its factory at Mudadi, Kozhikode. The manufacturing facility is equipped with State of the art SMD machines for populating LED chips, wave soldering and photometry Lab for checking the quality of LED lighting products. Keltron' LED lighting products 'are tested and approved by various external testing labs, including UL Lab. Keltron being a State owned PSU is more committed to quality for its own products and after sales support and that many of the Government educational institutions are not having proper lighting system both in buildings and in the campus, leading to the possibilities of antisocial elements using it for undesired things. Use of energy efficient LED lights will definitely help to prevent such things to certain extent.

In the circumstances you are requested to furnish a proposal regarding the consideration of Keltron for supply and installation of LED lights in your Institutions.

Yours faithfully,
LATHA.S
Under Secretary
for Secretary to Government
