Dated: February 13, 2014

Dear Sir,

Indian Institute of Remote Sensing (IIRS) under Indian Space Research Organisation (ISRO), Department of Space (DOS), Govt. of India is a premier Training and Educational Institute set up for developing trained professionals in the field of Remote Sensing, Geoinformatics and GPS Technology for Natural Resource Management.

The Institute is conducting regular Certificate course of 8 week duration for teachers of Universities/ Colleges/ Govt. affiliated colleges in India. Every year in eight thematic disciplines under National Natural Resource Management System (NNRMS):

- GIS Technology and Advances
- RS & GIS in Cartography and Mapping
- RS and GIS in Soils and Land Use Planning
- RS & GIS in Forestry and Ecology
- RS and GIS in Geosciences
- RS and GIS in Water Resources
- RS and GIS in Urban and Regional Planning
- RS & GIS in Coastal and Ocean Sciences

Every year 60 to 70 faculty members mainly from Universities/Colleges are getting trained at IIRS under the program with an aim to enhance the capacity in the area of remote sensing and GIS applications. This year the course will commence from 05.05.2014 to 27.06.2014. The last date for receiving the application form has been extended up to 24.03.2014. The candidates admitted to this course will be paid TA/DA by IIRS as per DOS rules applicable for this course. The application form and more details can be obtained at our website: <http://www.iirs.gov.in/nnrmssponsoredcourses>.

Kindly nominate a faculty to attend the NNRMS Certificate course in any one of the discipline.

With best regards,

Yours sincerely,

(Y.V.N Krishna Murthy)
